Dear Parishioner,

Thank you for being faithful member of the St. Mary Church community. You are a valued member of our parish family, and we ask you to pray for one another as the Church navigates these difficult times.

As COVID 19 persists, the negative impact of the pandemic on the Church's weekly collection is evident. In fact, monthly donations are down approximately 30%, and your continued weekly support is still needed to help the Church continue to meet the needs of our faith community.

While the parish's finances remain stable, and steps are being taken to reduce spending, it is necessary that this information be shared with you. This is an uncomfortable topic to discuss, but a necessary one.

We earnestly appreciate your ongoing support. You are a valued member of our Church family, and your continued weekly financial support is crucial at this time. Please remember to send your contributions to the church at the above address or drop them in basket at the entrance of the church. Your generosity is sincerely appreciated.

While we may be apart at this time, we look forward to once again fully gathering as a parish family together at the Lord's table.

Sincerely,

St. Mary's Parish Council and Fr. Uriel
